## Japan's Dual Civil Society Members

**japan's dual civil society: members without advocates (review)** - the legal structure that created japan's dual civil society is undergoing significant changes. pekkanen asserts that the 1995 hanshin earthquake was a turning point for japan's civil society. the government's response to the earthquake was widely perceived as inadequate and inept. in contrast, **after the developmental state: civil society in japan** - employees, is a defining feature of japan's dual structure in civil society. figure 1 shows the proportion of the total workforce employed by civil society organizations. **the triple disasters of 3.11 and civil society in japan** - this report will focus on the activities of civil society organizations, particularly the kind known as "npós" in japan. the term "npo" is an acronym for "non-profit organization" but 4 this follows the definition of civil society in robert pekkanen, 2006, japan's dual civil society, stanford. **civil society and voluntary action in japan - kcjs** - also explore different types of civil society organizations that are active in japan. required readings: pekkanen, r. (2006). japan's civil society in comparative perspective (chapter 2) in pekkanen, r. (2006). japan's dual civil society: members without advocates. stanford, ca: stanford university press. **japan's civil society from kobe to tohoku** - japan's civil society from kobe to tohoku ... social groups, organisations, and movements as long as they meet minimal requirements of dual autonomy, have the potential for collective action, are nonusurpatory and are voluntary in nature. ... lens to consider a diversity of social groups, japan's civil society is able to come into better ... **from undemocratic to democratic civil society: japan's ...** - from undemocratic to democratic civil society: japan's volunteer fire departments mary alice haddad ... arguing instead that japan's civil society is equally if not more vibrant ... notice. two recent books, robert pekkanen's japan's dual civil society (2006) and my politics and volunteering in japan (2007) both take traditional, ... **yascha mounk discusses 'the people vs. democracy'** - science from harvard in 2002 and his first book japan's dual civil society members without advocates won the masayoshi ohira prize in 2008 and also an award from the japanese nonprofit research association in 2007. it was also featured as one of japan time's best asia books of 2006.
